Representative office space for rent at a prestigious address right in the center of Prague, on the sixth floor of a modern multifunctional complex Quadrium, which promises above-standard conditions not only for commercial purposes, but also offers luxury office space.

The spacious office has an area of 880 m2 and a private terrace of 28 m2. The total area of offices is 16,400 m2, there are also underground parking spaces with a capacity of 250 places. The complex also has a common roof terrace offering unique views of the Prague skyline, Prague Castle and Petrin Hill.
Standards include all necessary equipment, WiFi connection, reception, security service, air conditioning, elevators, openable windows, internal blinds and access to magnetic cards. An undeniable advantage is also direct access to the four-storey shopping center and Máj Národní department stores.

Excellent transport accessibility by public transport, right next to the Národní třída metro station and two tram stops. Wenceslas Square, the Old Town or the banks of the Vltava River are only a few minutes' walk away. In the vicinity you will find all the civic amenities of the metropolis center, countless restaurants, bars, shops, offices and cultural and sports activities.
