Surround yourself with beautiful nature, silence, luxury and the atmosphere of times past in a unique penthouse in Prague's Troja, which is part of an exclusive residential complex. The heart of the project, consisting of 13 buildings in total, is a well-preserved renaissance courtyard enclosed by a gate providing maximum privacy for residents. Enjoying living in one of Prague's most sought after locations is further enhanced by the 24-hour reception service, security entry gate, well-kept garden, restaurant, lounge and lobby. The timeless luxury three-bedroom penthouse with 4 terraces is situated on the first and second floor of a newly built building on the outskirts of the complex and offers breathtaking views of the castle gardens. The price includes 2 garage parking spaces and complete above-standard finishes and bespoke equipment. Those interested in buying an apartment will have a professional team at their disposal to consult their own ideas so that their new housing corresp...
