Attractive penthouse with design fireplace and direct access from the lift, situated on the top 4th floor of a completely renovated apartment building in the most desirable residential district of Vinohrady. The apartment includes one onsite parking space in the courtyard. The lower floor is dominated by a living room with dining area and double sided fireplace (bioethanol), which separates the study room. There is also a fully equipped open plan kitchen with a pantry, a utility room, a toilet, a laundry and an entry hall with direct access from the elevator. The upper floor features a master bedroom with a walk-in closet and en-suite bathroom, and 3 children's bedrooms with shared family bathroom. The interior combines original features with modern elements: duct air conditioning, high ceilings, solid wood floors, Italian stone tiles, Villeroy & Boch sanitary ware, Italian designer lighting, 2 EcoSmart Fireplaces (1 in the living room, 1 outdoor at bedroom terrace), Bang & Am...
